Deadline: Nov. 30th**

RxXtra's mission is to assist covered entities in providing cost effective *SOLUTIONS* for your patients' pharmaceutical needs.

This mission is achieved by:

Providing comprehensive 340B Program management oversight including:

- ◇ 340B Drug Program enrollment and implementation for new entities and robust maintenance of all programs – new or existing.
- ◇ Compliance development, implementation, maintenance and ongoing support
- ◇ In-house and Contract Pharmacy support and optimization
- ◇ 340B OPAIS database support
 - ◆ Medicaid Exclusion File
 - ◆ Recertification
- ◇ 340B Program education to staff, management and stakeholders
- ◇ Referral Capture Program
- ◇ Manufacturer Change Management

Looking for a Win/Win/Win situation for your community, your patients, and your facility?

The experts at RxXtra will work with your team to establish your site-specific goals. Staying by your side from program inception to complete optimization, RxXtra will ensure you maintain a fully compliant program at every step along the way.

Assists Low Income Population

A strong, working 340B Program allows you to increase access to medication therapy by passing cost savings directly to your patients.

Benefits to adding 340B

- ◇ Cost Savings for Patients
- ◇ Service Line and Program Expansion
- ◇ Community Relations Strengthened
- ◇ Enhanced Financial Position
